

Independent United Order of Mechanics, Friendly Society, W.H., Inc.

The Most Worshipful Grand Master's New Year Message.

In a few hours, members of the Independent United Order of Mechanics, families and friends, around the world will get together to ring in the new year of 2020.

On behalf of the Executive Committee of Grand Council, my wife Blossom, and I want to wish all Mechanics, Family and Friends, a healthy New Year.

This time of the year, is always a hopeful time, as we celebrate the end of one year and the beginning of another, while 2019 was difficult for many Mechanic's and the Order, we must also look back on the year with the knowledge that brighter days are ahead of us, that although our challenges are great, each of us has the courage and determination to rise up and meet them.

It is that spirit that has kept the Independent United Order of Mechanics, Friendly Society Western Hemisphere, Inc., alive for many generations, and it is that spirit that will keep it alive for many more generations to come.

Happy New Year.

Rt. Hon. Errol G. Collins
Most Worshipful Grand Master
